Optional Gift Box

Mother of Pearl

100 Series

Our purse hanger can be neatly folded away, and the magnets inside the folding arm keep them securely folded when not in use. Our Mother-of-Pearl Series purse hangers are also such incredible work of art that it will impress even the most difficult person to please. You will not believe the details that went into each design and be totally amazed by the many colors of rays that only mother-of-pearl can give out.
